CALIFORNIA ISO OFFERS CALL-IN ACCESS TO FEBRUARY BOARD MEETING

(Folsom, CA) At its Board of Governors committee sessions and general meeting, February 23 and 24, 2000, the California Independent System Operator (California ISO) will offer "listen-only" call-in access. By allowing a larger audience to hear discussions and decisions being made, the California ISO hopes to raise awareness on matters that affect market participants and consumers. This month's meeting will also include a "10-Minute Market Workshop" on February 24 from 8:00 a.m. to 11:00 a.m.

For more detailed information and a review of the agenda for this month's Board of Governor's meeting, visit the California ISO website at www.caiso.com and click the **MEETINGS** button. This button directs you to the ISO Meeting Schedule Calendar, which lists the committee meetings for each day.

To view presentations and motions, click on **Public Info**, then **Board of Governors**, then **Documents**. The documents for the committee in which the presentation or motions will be made can be viewed by clicking on that committee.

Access: (800) 950-1447
Passcode: "ISO Board"
or conference id# 669335
