CALIFORNIA ISO OFFERS CALL-IN ACCESS TO POWER WATCH 2000 KICK OFF

(Folsom, CA) The California Independent System Operator (California ISO) will offer call-in access for its *Power Watch 2000* awareness campaign news conference on Wednesday, May 10, 2000 at the ISO's Folsom control center. The media event comes on the first in a series of ongoing operations drills to prepare for contingencies in case of power shortages. California ISO President and CEO Terry Winter will release the summer 2000 outlook for electricity reserves. Callers may ask questions.

Date:	Wednesday, May 10, 2000
Time:	10:00 a.m. to 11:00 a.m. Pacific Time
Call-In Number:	(800) 374-1387
Leader Name:	"Power Watch" or Patrick Dorinson

For more detailed information on this call or the *Power Watch 2000* public awareness campaign, please contact Patrick Dorinson at the California ISO Media Hotline: (888) 516-NEWS.
