Dear Mr. Atkins:

On March 1, 2011, you submitted for filing, on behalf of the California Independent System Operator Corporation (CAISO), tariff revisions directed by the Commission in a prior order and pursuant to an Offer of Settlement.¹ Specifically, you were required to revise the CAISO tariff to incorporate revised default loss allocation tariff provisions agreed to in the settlement. Your compliance filing incorporating the proposed tariff revisions is accepted, effective March 31, 2009, as stipulated in the settlement.²

¹ *California Independent System Operator Corporation*, 134 FERC ¶ 61,097 (2011), where the Commission directed a compliance filing within 15 days of the date of this order, or by February 28, 2011.

² CAISO previously submitted its compliance filing on February 28, 2011, in Docket No. ER11-2973-000. On March 1, 2011, CAISO notified the Commission that an error was made, and therefore, the earlier submission was withdrawn and refiled in the instant docket.

This filing was noticed on March 2, 2011, with comments, protests or motions to intervene due on or before March 22, 2011. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rates or services provided for in the filed documents; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against CAISO.

This action is taken pursuant to authority delegated to the Director, Division of Electric Power Regulation - West under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Steve P. Rodgers, Director
