

FEDERAL ENERGY REGULATORY COMMISSION
WASHINGTON, DC 20426

OFFICE OF ENERGY MARKET REGULATION

California Independent System
Operator Corporation
Docket No. ER11-4340-000
October 18, 2011

California Independent System
Operator Corporation
250 Outcropping Way
Folsom, CA 95630

Attention: Nancy Saracino, Esq.
Counsel for California Independent System Operator Corporation

Reference: Transmission Maintenance Coordination Committee

Dear Ms. Saracino:

On August 19, 2011, the California Independent System Operator Corporation (CAISO or ISO) submitted revised tariff sheets, under section 4.3.1.7 of its tariff, to reflect that the Transmission Maintenance Coordination Committee (TMCC) will advise ISO management rather than the ISO Board. CAISO states this change, which was vetted through a stakeholder process, reflects the manner in which the ISO has coordinated with TMCC for a number of years. The proposed revision is accepted for filing effective, October 19, 2011, as requested.

The filings were noticed on August 22, 2011 with comments, protests, or motions to intervene due on or before September 9, 2011. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made

by the Commission in any proceeding now pending or hereafter instituted by or against CAISO.

This action is taken pursuant to authority delegated to the Director, Division of Electric Power Regulation - West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Steve P. Rodgers, Director
Division of Electric Power
Regulation – West
