

EXECUTIVE BIOGRAPHY

Angelina Galiteva

California ISO Board of Governors

Gov. Gavin Newsom reappointed Angelina Galiteva on March 4, 2020 to a third term on the California Independent System Operator (ISO) Board of Governors that expires on December 31, 2022. Ms. Galiteva, of Fountain Valley, was first appointed on April 29, 2011.

Ms. Galiteva is currently President for NEOptions, Inc., a renewable energy and new technology product design and project development firm. Her industry experience includes serving as Executive Director of the Los Angeles Department of Water and Power and head of its Green LA, Environmental Affairs and New Product Development Organization. While at the municipal utility, she was responsible for strategic positioning and the environmental compliance departments. Her career includes working with the California ISO and Power Exchange on their initial launches and she also worked as a power analyst for the New York Power Authority.

Ms. Galiteva graduated from Pace University School of Law with a Juris Doctor degree in 1993 and a LL.M. degree in 1994 in Environmental and Energy Law. She specialized in electric utility strategic policy analysis and decision-making focusing on pending industry transition and deregulation issues.

Ms. Galiteva works to advance the deployment of renewable energy and distributed energy technologies worldwide. She also serves as Chairperson of the World Council for Renewable Energy, where she is one of the spokespersons, among other duties.
