Re: California Independent System Operator Corporation

**Errata Filing to Correct Filing of Amendment No. 1 to Adjacent
Balancing Authority Operating Agreement with Balancing Authority
of Northern California**

Docket No. ER21-2537-___

Dear Secretary Bose:

On July 28, 2021, the California Independent System Operator Corporation ("CAISO") filed in this proceeding Amendment No. 1 ("Amendment No. 1") to the Adjacent Balancing Authority Operating Agreement ("ABAOA") between the CAISO and the Balancing Authority of Northern California ("BANC") ("July 28 Filing"). The July 28 Filing contained several incremental revisions to the ABAOA, including clarifications of the descriptions of the points of interconnection and the balancing authority area boundaries. The CAISO requested that the Commission accept the ABAOA as revised by Amendment No. 1 effective September 27, 2021, *i.e.*, 61 days after from the date of the filing.

After the CAISO submitted the July 28 Filing, it was brought to the CAISO's attention that the July 28 Filing inadvertently misdescribed some elements of the points of interconnection and the balancing authority area boundaries associated with the Standiford substation set forth therein. The CAISO submits this filing to correct those errors in the July 28 Filing.¹ This filing contains the following attachments, which supersede and replace the corresponding attachments contained in the July 28 Filing:

¹ The CAISO submits this filing pursuant to Section 205 of the Federal Power Act, 16 U.S.C. § 824d, and Section 35.17(b) of the Commission's regulations, 18 C.F.R. § 35.17(b).

- | | |
|--------------|---|
| Attachment A | Corrected Amendment No. 1 to the ABAOA; |
| Attachment B | Clean version of the ABAOA as revised by the corrected amendment; and |
| Attachment C | Marked version of the ABAOA as revised by the corrected amendment. ² |

The CAISO requests that the Commission accept the ABAOA, as revised by Amendment No. 1 as corrected by this filing, effective October 18, 2021, *i.e.*, 61 days from the date of this filing.

The CAISO has served copies of this filing on BANC, the California Public Utilities Commission, the California Energy Commission, all parties to the proceeding in which the Commission accepted the original ABAOA (Docket No. ER11-3387-000), and all entities that have already intervened in the instant proceeding. In addition, the CAISO has posted this filing on its website.

Please contact the undersigned with any questions.

Respectfully submitted,

By: /s/ John C. Anders

² The clean and marked versions of the ABAOA contained in this filing incorporate the revisions contained in the July 28 Filing and also incorporate the corrections to the descriptions of the points of interconnection and the balancing authority area boundaries noted above.

CERTIFICATE OF SERVICE

I hereby certify that I have this day served the foregoing document upon each party listed on the official service list for this proceeding, in accordance with the requirements of Rule 2010 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.2010 (2018)).

Dated at Folsom, California on this 18th day of August, 2021.
