**CALIFORNIA ISO HOSTING MEDIA TELECONFERENCE
REGARDING RTO FILING WITH FERC**

(Folsom, CA) The California Independent System Operator (California ISO) is hosting a media teleconference this afternoon at **1:00 p.m. Pacific Standard Time, Friday, June 1**. The topic of the teleconference is the California ISO's filing with the Federal Energy Regulatory Commission (FERC) regarding a Regional Transmission Organization (RTO).

Michael Kahn, Chairman of the California ISO Board of Governors and **Charlie Robinson**, California ISO Chief Counsel will introduce the main contents of the filing and will also be available to answer questions.

A copy of today's FERC filing by the California ISO will be available on the organization's website shortly before the 1:00 p.m. teleconference. The document will be posted at: CAISO.COM, under Legal/Regulatory, and then under FERC Filings.
