Reference: Energy Imbalance Market Implementation Agreement

On May 7, 2019, the California Independent System Operator Corporation (CAISO) submitted an Energy Imbalance Market (EIM) Implementation Agreement (Implementation Agreement) with the Public Service Company of New Mexico (PNM). The Implementation Agreement sets forth the terms under which CAISO will extend its real-time energy market systems to provide imbalance energy services to PNM pursuant to CAISO's EIM tariff provisions. Under the Implementation Agreement, PNM will compensate CAISO for its share of the costs of related system changes, software licenses, and other configuration activities. The Agreement is accepted for filing effective July 7, 2019, as requested.¹

This filing was noticed on May 7, 2019, with comments, protests, or motions to intervene due on or before May 28, 2019. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed
