Reference: Compliance Filing to Reconcile Overlapping Approved Tariff Records

On March 13, 2020, California Independent System Operator Corporation (CAISO) filed revised records to reconcile overlapping tariff records in the Commission's eTariff system. Specifically, CAISO filed revisions to sections 30.4.1, 39.7.1, and 40.6.8 to reflect changes that had been previously accepted by the Commission.<sup>1</sup> CAISO explains that its filing does not propose any changes to approved tariff language. Waiver of the Commission's prior notice requirements pursuant to section 35.11 of the Commission's regulations (18 C.F.R. § 35.11) is granted,<sup>2</sup> and the revised tariff records are accepted, effective December 31, 2019 as requested.<sup>3</sup>

However, CAISO's revised tariff record for section 39.7.1 does not contain approved provisions in section 39.7.1.1.1.3. Therefore, CAISO must make a compliance filing, within 30 days of the date of this letter order, to correct section 39.7.1.1.1.3 in eTariff.
