Folsom, CA 95630

Reference: Tariff Revision Addressing Non-Generator Resource Participation  
Agreements

On March 19, 2021, California Independent System Operator Corporation (CAISO) filed tariff revisions to reduce the number of participation agreements a Non-Generator Resource (NGR) must execute from two to one.<sup>1</sup> Specifically, CAISO proposes that energy storage resources using the NGR model will participate in the CAISO market under the Participating Generator Agreement only, and participating loads using the NGR model will participate in the CAISO market under the Participating Load Agreement only. The tariff revisions are accepted for filing, effective May 19, 2021, as requested.

This filing was noticed on March 19, 2021, with comments, protests, or motions to intervene due on or before April 9, 2021. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in

the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against CAISO.

This action is taken pursuant to authority delegated to the Director, Division of Electric Power Regulation - West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.
