Take notice that on July 30, 1999, the California Independent System Operator Corporation (ISO) tendered for filing a proposed amendment (Amendment No. 20) to the ISO Tariff. Amendment No. 20 would make certain technical changes to the ISO Tariff to correctly state the manner in which charges for one Ancillary Service will be determined following the implementation of the Rational Buyer protocol approved by the Commission in its May 26, 1999 order in Docket Nos. ER98-2843-005, *et al.* The ISO asks for waiver of Section 35.3 of the Commission's regulations to permit Amendment No. 20 to become effective upon implementation of the Rational Buyer protocol.

The ISO states that this filing has been served upon the Public Utilities Commission of California, the California Energy Commission, the California Electricity Oversight Board, and all parties with effective Scheduling Coordinator Service Agreements under the ISO Tariff.

Any person desiring to be heard to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 or 214 of the Commission=s Rules of Practice and Procedure (18 C.F.R. "385.211, 385.214). All such motions or protests should be filed on or before [______]. Protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
