Reference: EIM Implementation Agreement

On September 28, 2021, California Independent System Operator Corporation (CAISO) filed an Energy Imbalance Market (EIM) Implementation Agreement (Agreement) with Western Area Power Administration (Western). The Agreement sets forth the terms under which CAISO will extend its real-time energy market systems to provide imbalance energy services to Western pursuant to CAISO's EIM tariff provisions. Under the Agreement, Western will compensate CAISO for its share of the costs of related system changes, software licenses, and other configuration activities. Pursuant to authority delegated to Director, Division of Electric Power Regulation – West, under 18 C.F.R. § 375.307 (2020), the Agreement is accepted for filing, effective November 28, 2021, as requested.¹

This filing was publicly noticed on September 28, 2021, with comments, protests, or motions to intervene due on or before October 19, 2021. Pursuant to Rule 214 of the Commission's regulations (18 C.F.R. § 385.214 (2020)), notices of intervention, timely-filed motions to intervene, and any unopposed motions to intervene out-of-time filed before the issuance date of this order are granted. Granting a late intervention at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties. No protests or adverse comments were filed.
