

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

In the Matter of the Application of NEXTERA
ENERGY TRANSMISSION WEST, LLC for
a Certificate of Public Convenience and
Necessity for the Suncrest Dynamic Reactive
Power Support Project

Application 15-08-027
(Filed August 31, 2015)

**MOTION OF THE CALIFORNIA INDEPENDENT SYSTEM OPERATOR
CORPORATION REQUESTING PERMISSION TO LATE-FILE RESPONSE**

The California Independent System Operator Corporation (CAISO) submits the following motion pursuant to Rule 11.1 of the Commission's Rules of Practice and Procedure. On October 5, 2015 the CAISO filed a response to NextEra Energy Transmission West, LLC's Application in this proceeding (Response). The Response was rejected by the Commission's Docket Office on November 12, 2015 because it was undated. By this motion, the CAISO requests permission to re-file the Response with the proper submission date.

With this motion, the CAISO is re-submitting a corrected Response. The corrected response includes the original submission date. The remainder of the Response is unchanged from the version filed and served on October 5, 2015. Because the initial Response was properly served, there is no prejudice to any party to accepting the re-filed Response at this time. Based on the foregoing, the CAISO respectfully requests that the Commission grant the CAISO's motion to re-file its Response.

Respectfully submitted,

By: /s/ Jordan Pinjuv
