

November 28 2018 Exceptional Dispatch CPM Designation Report**Designation Summary:**

The California ISO issued an Exceptional Dispatch Capacity Procurement Mechanism (CPM) designation to STANIS_7_UNIT 1 for a non-system reliability need. The designation is effective November 28, 2018 for a duration of 60 days.

Duration and Cost:

RESOURCE_ID	MW	ED Code	Accepted Offer Price	Estimated CPM Cost
STANIS_7_UNIT 1	5.4	Local Reliability Issue	\$6.31/kw-month	\$68,148

Reason for CPM:

The ISO issued an Exceptional Dispatch CPM designation to STANIS_7_UNIT 1 to address an Exceptional Dispatch Non-System Reliability Need. The Exceptional Dispatch was issued to address a potential thermal overload on a 115 kV line in the PG&E Area for the next contingency event. The designation amount reflects the minimum amount of capacity the ISO could designate to mitigate the reliability need posed by the potential thermal overload.
