Operator Corporation**  
Code of Conduct Certification Process  
Report of Independent Accountants  
January 15, 2007

**Report of Independent Accountants**

To the Board of Governors of the  
California Independent System Operator Corporation

We have performed the procedures described in this report, which were agreed to by the California Independent System Operator Corporation (the "CAISO"), solely to assist you in assessing your process of obtaining certification by employees, contractors and your Board of Governors that they are complying with the CAISO Code of Conduct. CAISO is responsible for compliance with its Code of Conduct. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

**Procedures and findings**

The procedures we performed and our findings are described at Exhibit I. Such procedures principally consist of our comparison of signed certifications obtained by CAISO management to listings of three classes of CAISO constituents as of December 1, 2006:

- Employees
- Selected Contractors (see description in Exhibit I)
- Members of the Board of Governors

The date was selected by management to conform with the timing of CAISO's annual processes of obtaining such certifications.

**Certification forms**

Sample copies of the certification forms completed by these constituents are included at Exhibits II, III, IV, V and VI. The sample forms are used by the following:

Employees	Exhibits II, III and IV
Contractors	Exhibit V
Members of the Board of Governors	Exhibit VI

**Report limitations**

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the level of CAISO's compliance with its Code of Conduct. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Board of Governors and management of the CAISO, and is not intended to be and should not be used by anyone other than these specified parties.

January 15, 2007

The procedures we performed, and our findings, are described below.

**1.) For employees**

Procedures performed:

- a.) We obtained the CAISO payroll register dated December 1, 2006.
- b.) For all employees included on the payroll register obtained above, we obtained their certifications to determine if they were signed and if they contained any written indication of exception to CAISO requirements.

Management has advised us that for those employees on a leave of absence, as identified by the CAISO Human Resources Department, certifications are not required until the employee returns. Three employees met this criterion, and accordingly, those employees were excluded from our procedures.

Management has also advised us that for those employees identified with a status code of "Term" on the payroll register, certifications are not required as these employees had terminated employment prior to December 1, 2006. Eighty four employees met this criterion, and accordingly, those employees were excluded from our procedures.

Findings - We performed the above procedures without exception.

**2.) For contractors**

Procedures performed:

- a.) We obtained a list of all contractors as of December 1, 2006 (provided to us through the CAISO Human Resources Department), that are considered by CAISO management to be substantially full-time contractors subject to the certification requirement.
- b.) For all contractors included on this contractor list, we obtained their certifications to determine if they were signed and if they contained any written indication of exception to CAISO requirements.

Findings - We performed the above procedures without exception.

**3.) For Board members**

Procedures performed:

- a.) We obtained a list of all members of the Board of Governors of the CAISO as of December 1, 2006. This list was obtained from the CAISO website.
- b.) For all board members included on the list, we obtained their certifications to determine if they were signed and if they contained any written indication of exception to CAISO requirements.

Findings – We performed the above procedures without exception.
