### Draft Final Proposal Exempting Inter-SC Trades from CFTC Jurisdiction

Submitted by	Company	Date Submitted
Jeffrey Nelson (626)302-4834	Southern California Edison (SCE)	May 25, 2012.

SCE appreciates the opportunity to provide comments on the California Independent System Operator's (CAISO) Draft Final Proposal on Exempting Inter-SC Trades from CFTC Jurisdiction.

SCE reiterates the request it made during the May 18 conference call. Specifically, the CAISO should file the tariff amendment with a CAISO implementation date subject to the implementation of the Commodity Futures Trading Commission's (CFTC) final ruling.
