**Subject:** Interconnection Standards Review for Renewables

Submitted By	Company or Entity	Date Submitted
<i>Sandy Guerrero</i>	<i>Southern California Edison Company</i>	<i>April 30, 2010</i>

Southern California Edison Company (“SCE”) has no disagreement with the interim interconnection standards discussed during the April 28, 2010 stakeholder conference call and further elaborated in the ‘Interim Interconnection Requirements for Large Generator Facilities Review Initiative’ Final Straw Proposal drafted by the California Independent System Operator (“CAISO”) dated April 26, 2010.
