Reference: Tariff Clarification Amendments

On July 10, 2020, the California Independent System Operator Corporation (CAISO) filed a set of tariff amendments to clarify several areas of the CAISO tariff, including emergency procedures, day-ahead and real-time market rules, rules of conduct, and generator interconnection and deliverability allocation procedures. CAISO states that the revisions are intended solely to correct typographical errors, realign or remove erroneous cross-references, clarify the meaning of ambiguous tariff provisions, and ensure consistency throughout the tariff. The tariff amendments are accepted, effective September 9, 2020, as requested.

The filing was noticed on July 10, 2020, with comments, protests, or interventions due on or before July 31, 2020. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against CAISO.

This action is taken pursuant to authority delegated to the Director, Division of Electric Power Regulation - West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.
