STATUS REPORT TO THE COMMISSION

(Issued April 16, 2003)

TO THE COMMISSION:

1. On Monday, April 14, 2003, parties to the above-captioned proceedings convened for a settlement conference to address the outstanding issues remaining in the proceedings. During that time, the parties aired many issues still outstanding in the case, but also agreed to exchange settlement proposals.
2. At the conclusion of the conference, the parties agreed that the Companies will exchange settlement proposals with the Southern Cities via email, and the Southern Cities will respond accordingly. Additionally, the California Department of Water Resources (“CDWR”) and the California Independent System Operator Corporation (“Cal ISO”) agreed to hold a technical conference in California as soon as possible. All parties were invited to send representatives to that technical conference. Lastly, the parties agreed to convene on May 21, 2003 at 10 a.m. for another settlement conference. The conference will be held at the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, D.C.

3. The undersigned will keep the Commission apprised of all further developments in this matter in a status report on May 16, 2003.
