	Notice of	Filing		
	[		]	

Take notice that the California Independent System Operator Corporation ("ISO"), on December 21, 2000, tendered for filing a revision to the Transmission Control Agreement ("TCA") for acceptance by the Commission. The ISO states that the purpose of the amendment is (1) to clarify responsibilities in the TCA concerning the ISO Maintenance Standards and to include a new Appendix F identifying the persons to contact at each party for notice purposes; (2) to address the Commission's statement in *Mid-Continent Area Power Pool*, 92 FERC ¶ 61,229 that contractual arrangements involving regional transmission service should be crafted to ensure that responsibilities of all parties with respect to issues such as refunds are delineated in advance; (3) to clarify four provisions of the current TCA in response to issues raised by the City of Vernon, California ("Vernon"), which has applied to become a Participating Transmission Owner; and (4) to identify the transmission interests that Vernon would be turning over to the ISO's Operational Control if Vernon executes the amended TCA unconditionally.

The ISO states that this filing has been served the Public Utilities Commission of California, the California Energy Commission, the California Electricity Oversight Board, and all parties, including Vernon, with effective Scheduling Coordinator Agreements under the ISO Tariff.

The ISO is requesting waiver of the 60-day notice requirement to allow the TCA to be made effective January 1, 2001.

Any person desiring to be heard or to protest the filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. §§ 385.211 and 385.214).
