Docket Nos. ER04-242-000 and EL04-50-000

Dear Secretary Salas:

On July 29, 2004, the California Independent System Operator Corporation ("ISO") and Pacific Gas and Electric Company ("PG&E") submitted to the Commission an Offer of Partial Settlement in connection with the above-referenced proceeding.

The transmittal letter accompanying the Offer of Partial Settlement indicated that comments on the Offer were due at the Commission on or before August 19, 2004, and that Reply Comments were due at the Commission on or before August 30, 2004 unless other dates were provided by the Commission. It has come to our attention, that, under Rule 602(f) of the Commission's Rules of Practice and Procedure, initial comments are due no later than twenty days after the submission of the Offer, which is, in fact, August 18, 2004. Reply comments are still due on August 30, 2004, as the thirtieth day after the filing, August 28, 2004 falls on a Saturday.

A copy of this letter is being served on all participants in the referenced proceeding and on all other persons required to be served by operation of Rule 602(d) of the Commission's Rules of Practice and Procedure.
