

Briefing on Results of RMR Contract Process for 2009

Gary DeShazo
Director of Regional Transmission North

ISO Board of Governors Meeting
General Session
October 28-29, 2008

Management has used Board given authority to make these contract changes:

- RMR contracts
 - Released 40MW of capacity
 - Retained the balance
- Next steps:
 - Final 2009 RA showings November 21, 2008
 - Cancel remaining unneeded RMR contracts
