

Briefing on Results of RMR Contract Process for 2010

Gary DeShazo
Director of Regional Transmission North

Board of Governors Meeting
General Session
October 29, 2009

Management has used Board approved authority to make these RMR contract changes:

■ Retain:

- Gilroy (90 MW),
- Feather River (45 MW),
- Yuba City (45 MW),
- Oakland (165 MW),
- Potrero (362 MW),
- South Bay CT, 1 and 2 (307 MW)

■ Release:

- LMEC (556 MW),
- South Bay 3 and 4 (395 MW),
- CalPeak (132 MW)

Final year ahead 2010 resource adequacy showings will dictate future direction.

Resource Adequacy Showings

Additional Contracts Signed

No change
