

**Statement of Qualifications
Don Kondoleon**

1
2
3
4
5 Don Kondoleon has been the manager of the California Energy Commission's
6 (CEC) Transmission Evaluation Program for the past fourteen years. Mr.
7 Kondoleon directs a staff responsible for the collection, analysis and dissemination
8 of transmission information, including maps, to interested parties; the representation
9 of the CEC at statewide, regional and national transmission planning forums; and,
10 the management of the CEC's Public Interest Energy Research funded strategic
11 area transmission reliability projects. During the past year, Mr. Kondoleon has been
12 a principal advisor to the Governor's Office, the Legislature and the Governor's
13 Green Team on transmission related matters. Mr. Kondoleon is also the CEC's
14 council representative to the Western Systems Coordinating Council.

15
16 Prior to his current duties, Mr. Kondoleon directed the Stationary Clean Fuels
17 Program within the CEC's Development Division for five years and managed
18 technology assessment and system modeling projects within the CEC's
19 Assessment Division for five years.

20
21 Mr. Kondoleon's educational background includes a BS degree in Civil and
22 Chemical Engineering through the Environmental Engineering Program of the
23 University of Maryland.
