OFFICE OF ENERGY MARKET REGULATION

California Independent System Operator
Corporation
Docket No. ER10-775-000

April 8, 2010

California Independent System Operator Corporation
151 Blue Ravine Road
Folsom, CA 95630

Attention: David S. Zlotlow
Counsel for the California Independent System Operator Corporation

Reference: Forbidden Operating Region Functionality Tariff Revisions

Dear Mr. Zlotlow:

On February 12, 2010, the California Independent System Operator Corporation (CAISO) submitted revisions to its open access transmission tariff to implement the forbidden operating region functionality for the real-time market, which had previously been deferred. The revised tariff sheets are accepted, as designated, effective April 15, 2010.

The filing was noticed on February 25, 2010, with comments, protests, or motions to intervene due on or before March 5, 2010. No protests or comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against the CAISO.
