Attention: John C. Anders, Esquire

Reference: Replacement Pseudo Participating Generator Agreement

Dear Mr. Anders:

On July 27, 2011, the California Independent System Operator (CAISO) filed a replacement Pseudo Participating Generator Agreement (Replacement Pseudo PGA) with El Dorado Energy, LLC (El Dorado). This Replacement Pseudo PGA is intended to replace an existing pilot Pseudo Participating Generator Agreement (Existing Pseudo PGA) and, therefore, CAISO also filed a Notice of Termination of the Existing Pseudo PGA. CAISO states that the purpose of the Replacement Pseudo PGA is to incorporate an additional 10 MW from a second solar generating facility, the El Dorado Solar generating facility, into the existing pseudo tie of the 48 MW Copper Mountain Solar generating facility and to the CAISO balancing authority area. Waiver of the Commission's notice requirements pursuant to section 35.11 of the Commission's rules and regulations (18 C.F.R. § 35.11) is granted, and the Replacement Pseudo PGA and Notice of Termination of the Existing Pseudo PGA are accepted for filing, effective August 19, 2011, as requested.

The filing was noticed on July 28, 2011, with comments, protests, or motions to intervene due on or before August 17, 2011. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against California Independent System Operator Corporation.

This action is taken pursuant to authority delegated to the Director, Division of Electric Power Regulation - West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Steve P. Rodgers, Director
Division of Electric Power
Regulation – West
