ORDER OF CHIEF JUDGE CONTINUING SUSPENSION  
OF PROCEEDINGS AND ORDERING FURTHER STATUS REPORTS

(Issued January 18, 2012)

1. On January 13, 2011, the Chief Judge continued the suspension of the procedural schedule in these proceedings until the Commission issues an order in Docket No. EL00-95-045, *et al.* that establishes the final balances of the entities that participated in the markets operated by the California Independent System Operator Corporation (CAISO) during the Refund Period and directed CAISO to file further status reports every 90 days.
2. On January 17, 2012, counsel for CAISO filed a further Status Report stating that there have been no occurrences since the filing of its last status report on October 31, 2011, that would alter the Chief Judge's conclusion that the procedural schedule in this case should continue to be suspended pending a Commission order establishing the final balances of the of the entities that participated in markets operated by CAISO during the Refund Period. Accordingly, the Chief Judge hereby continues the suspension of the procedural schedule in these proceedings until the Commission issues such order in Docket No. EL00-95-045, *et al.* CAISO shall continue to file status reports every 90 days, with the next report due by April 17, 2012. CAISO is also directed to provide the Chief Judge with an electronic copy of the report at [curtis.wagner@ferc.gov](mailto:curtis.wagner@ferc.gov).
