

Preparatory/FERC Refund Re-run Discussion Web Based Conference Call

AGENDA – July 23, 2004
11:00am – 12:00 PDT

Purpose of Meeting:

The purpose of this web-based conference call is to address questions from Scheduling Coordinators related to the Preparatory Re-run, specifically the Billable Quantity/Price changes as they relate to the adjustments seen on the Settlements Statements. In addition, the ISO will outline how the (Mitigated Market Clearing Prices) MMCP will be applied to these adjustments as part of the Second Phase of the Re-run.

Agenda:

- Overview of Preparatory Re-run Billable Quantities
- Summary of Preparatory Rerun changes/Application of MMCP in second phase
 - a. Examples
 - i. Billable Quantity (MW) change, Price \$/MW same
 - ii. Billable Quantity (MW) same, Price \$/MW changes
 - iii. Billable Quantity (MW) and Price \$/MW change
 - b. Manual adjustment issues
 - i. Sign conventions
- Questions
