**Workshop Agenda R.14-10-010/R.13-09-0111*****Demand Response Requirements for Local RA******October 3rd, 2016******California Indpt. System Operator, 250 Outcropping Way, Folsom, CA 95630***

The purposes of this workshop are:

1. To help parties understand the steps that CAISO has taken since D. 16-06-045 to study the potential availability requirements for Demand Response resources to be pre-dispatched by CAISO to meet local reliability needs during a contingency event.
2. To explain and ensure that parties understand the methodology and results of CAISO's TPP Special Study and IOU analysis for "slow start demand response."
3. To discuss how the availability needs determined by the TPP study could be operationalized into market rules, RA rules and DR program requirements.
4. To outline a process to assess and establish pre-dispatch requirements for 2017 and future years.
