Folsom, CA 95630

Attention: Andrew Ulmer  
Senior Counsel for California Independent System Operator Corporation

Reference: Tariff Amendment to Address Division of Responsibility between Control  
Centers

Dear Mr. Ulmer:

On February 13, 2009, the California Independent System Operator Corporation (CAISO) submitted an amendment to the Market Redesign and Technology Upgrade (MRTU) tariff. The amendment provides that the primary CAISO control center located in Folsom, California, will have primary operational control and that the CAISO management may delegate responsibilities to the back-up control center in Alhambra, California. The CAISO's revised tariff sheets are hereby accepted for filing, as designated, effective April 15, 2009, as requested.

The filing was noticed on February 18, 2009, with comments due on March 6, 2009. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against your company.
