CALIFORNIA ISO FILES WITH FERC TO OBTAIN MORE DATA, LONGER REVIEW TIME AND HEARING ON POTENTIAL OVERCHARGING BY ENERGY SUPPLIERS

(Folsom, CA) The California Independent System Operator (California ISO) will be holding a media teleconference call today following a request it filed with the Federal Energy Regulatory Commission (FERC). As part of the first step in a process to review bids above benchmarks set by FERC, the California ISO filed a Motion for Issuance of Refund Notice to Sellers, Request of Data, Request for Hearing, and Request for Expedited Action (to obtain a copy of the filing visit the ISO's website at www.caiso.com/docs/2001/01/19/200101191510355603.html.)

The ISO's Director of Market Analysis Dr. Anjali Sheffrin will answer questions during a **media teleconference call** scheduled today, **Thursday, March 01, 2001 at 11:30 a.m. (Pacific Time)**. Call **800 374-1387** and give the passcode **"ISO NEWS"** to access the call.
