Geysers Power Company)	Docket Nos. ER02-188-001

**COMMENTS OF THE CALIFORNIA INDEPENDENT
SYSTEM OPERATOR CORPORATION**

On September 7, 2004, Geysers Power Company, LLC (Geysers Power) filed a refund report in compliance with the Commission’s February 27, 2003 Order in Geysers Power Company, LLC, 102 FERC ¶ 61, 221 (2003). Pursuant to the Commission’s September 10, 2004 Notice, the California Independent System Operator Corporation (CAISO) submits the following comment.

Due to an apparent inadvertent word processing conversion error, the refund report contains several errors. Several of the Revenue Adjustment and Change columns containing the line “Interest charge on Current Mo Underpayment” were blank instead of having the correct interest amount originally paid filled it. As a result of both columns being blank, the “Diff” column or the refund column was zero as well, so this did not change the actual refund amount. The CAISO has informed Geysers of the errors and Geysers has indicated it intends to submit a corrected filing. As of the date of this filing, however, Geysers has not submitted an errata filing.

The CAISO is not protesting the refund report filing. However, the CAISO desires that public information be correct.

Respectfully submitted,

/s Sidney L. Mannheim
