**Re: San Diego Gas & Electric Company v. Sellers of Energy and Ancillary Services Into Markets Operated by the California Independent System Operator and the California Power Exchange
Docket Nos. EL00-95-000, et al. – ERRATUM**

Dear Secretary Boergers:

Yesterday, we submitted for filing, in the above-captioned dockets, Tariff sheets for the California Independent System Operator Corporation (“ISO”) FERC Electric Tariff, reflecting revisions to those Tariff sheets to comply with the Commission’s October 23, 2001 “Order Accepting in Part and Rejecting in Part Portion of Compliance Filing Related to Outage Coordination,” *San Diego Gas & Electric Company, et al.*, 97 FERC ¶ 61,066. We also submitting versions of those Tariff sheets identifying the changes effected by the Tariff sheets, and supporting materials.

It has come to our attention that one Tariff sheet (No. 46B) was inadvertently not included as part of yesterday’s filing; this sheet contains Tariff language that was “rolled over” to a subsequent page of the Tariff, as a result of changes and additions made in the filing. The “rolled over” page does not contain any new changes or additions. We enclose the omitted page as Attachment A to the present filing.

The Honorable David P. Boergers
