Attention: Robert C. Fallon, Esquire
Attorney for CalPeak Entities

Reference: Revisions to Reliability Must-Run Service Agreements

Dear Mr. Fallon:

On October 31, 2007, you filed, on behalf of CalPeak Power – El Cajon, LLC, CalPeak Power-Border, LLC and CalPeak Power-Enterprise, LLC (collectively, CalPeak Entities) revisions to certain schedules, under the Reliability Must-Run Service Agreements (RMR Agreements) between the California Independent System Operator Corporation (CAISO) and each of the CalPeak Entities. The RMR Service Agreements specify the rates, terms and conditions under which the CalPeak Entities provide reliability must-run service to the CAISO. CalPeak Entities state that pursuant to a request by the CAISO, it is submitting updated rates necessary to extend the RMR Service Agreements for each of the CalPeak Entities through calendar year 2008. The revisions to the RMR Service Agreements, as provided for in the proposed rate schedule sheets, are accepted for filing effective January 1, 2008, as requested.

These filings were noticed on November 5, 2007, with comments, protests, or motions to intervene due on or before November 21, 2007. No protests or adverse

comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This acceptance shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation or practice affecting such rate or service provided for in the filed documents; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now or pending or hereafter instituted by or against the CalPeak Entities.

This action is taken pursuant to authority delegated to the Director, Division of Tariffs and Market Development -West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Steve P. Rodgers, Director
Division of Tariffs and Market
Development – West
