## **CONTENTS OF FILING**

The following documents are included in this filing:

- (1) Transmittal Letter;
- (2) Attachment A – Information Regarding Changes of Condition; and
- (3) A Notice of Filing, suitable for publication in the Federal Register, together with a computer disk with a copy of the Notice in electronic format.

## **PROCEDURAL BACKGROUND**

Since April 1, 1998, when the CAISO began operations, certain Generating Units have been designated by the CAISO as necessary for local reliability needs and thus have been operating pursuant to an RMR Contract between the CAISO and RMR Unit Owner. Broadly speaking, the RMR Contracts authorize the CAISO to call on RMR Units to provide specified levels of energy and ancillary services, and require the CAISO to make specified fixed and variable cost payments to RMR Unit Owners for these services. Under Section 5.2.8 of the CAISO tariff, costs payable by the CAISO under the RMR Contracts are passed through to the relevant Responsible Utility.<sup>2</sup>

By order issued December 17, 1997 in Docket Nos. ER98-441-000, *et al.*, the Commission placed the initial RMR Contracts for RMR Units in California into

effect, subject to refund, as of the date the CAISO began operations.<sup>3</sup> On April 2, 1999, the CAISO, the owners of all of the RMR Units in California, the three Responsible Utilities, and other parties to Docket Nos. ER98-441-000, *et al.*, filed an offer of settlement in those dockets (the "First Stipulation") substantially revising the standard terms of the RMR Contract, but leaving a number of issues subject to litigation or further settlement efforts. The First Stipulation was approved by the Commission in May 1999.<sup>4</sup>

Article IX, Section B of the First Stipulation provides:

The CAISO shall provide on a confidential basis to the Commission pursuant to Section 388.112 of the Commission's Regulations, 18 C.F.R. §388.112 (1998), and to the California Agency and the affected Responsible Utility pursuant to the applicable Non-Disclosure and Confidentiality Agreement in the RMR Contract . . . :  
(i) information regarding any notice from an RMR Unit requesting a change of Condition; (ii) the date the chosen Condition will begin; and (iii) if the change is from Condition 1, the applicable level of the Fixed Option Payment. Such information will be provided within ten (10) business days of the receipt of such notice by the CAISO. The CAISO shall provide a copy of all information provided to the Commission to the RMR Owner.

On December 1, 2006, the CAISO received a notice from an RMR Owner transferring the condition of one or more of its RMR Units during the 2007 Contract Year.
