Re-run Update #4

Market Participants and Scheduling Coordinators:

On December 9, 2003, the CAISO issued Rerun Update #3, contemplating a scheduled start date for publishing the preparatory rerun beginning Thursday, December 18, 2003. This notice is to update you on the status.

1. On December 16, 2003 the ISO is overnight mailing via Federal Express the first package of settlement detail files covering October 2-24, 2000.
2. The ISO expects to begin publishing settlement statements on Thursday, December 18, 2003 consistent with the December 9th notice referred to above.
3. Yesterday, the ISO made two filings at the Federal Energy Regulatory Commission (“FERC”) specifically related to the reruns: They can be found at:
