

Board of Governors
General Session

December 17, 2020

Decision on ESDER Default Energy Bid Proposal

Motion

Moved, that the ISO Board of Governors approves the tariff revisions necessary to implement the proposal to apply local market power mitigation measures to storage resources and the formulation of a default energy bid for storage resources as described in the memorandum dated December 9, 2020; and

Moved, that the ISO Board of Governors authorizes Management to make all necessary and appropriate filings with the Federal Energy Regulatory Commission to implement the proposed deliverability methodology revisions, including any filings that implement the overarching initiative policy but contain discrete revisions to incorporate Commission guidance in any initial ruling on the proposed tariff amendment.

Moved: **Bhagwat** Second: **Borenstein**

Board Action:	Passed	Vote Count:	4-0
