

ISO Board of Governors

July 16, 2026

**Decision on interconnection service capacity and deliverability retention for non-operating generating facilities
General Session**

Motion

Moved, that the ISO Board of Governors approves the interconnection service capacity and deliverability retention for non-operating generating facilities proposed changes, as described in the memorandum dated July 8, 2026; and

Moved, that the ISO Board of Governors authorizes Management to make all necessary and appropriate filings with the Federal Energy Regulatory Commission to implement the proposal, including any filings that implement the overarching initiative policy but contain discrete revisions to incorporate Commission guidance in any initial ruling on the proposed tariff amendment.

Moved: Governor Schori

Second: Governor Eto
