

**ISO Board of Governors
Decision on Southwest Intertie Project North**

December 14, 2023

General session

Motion

Moved, that the ISO Board of Governors approves Addendum 1 to the 2022-2023 Transmission Plan identifying the ISO's assumption of operational control of Great Basin Transmission (GBT), an LS Power subsidiary, entitlements on the SWIP North transmission line and One Nevada transmission line (to which SWIP North connects), as a joint regional policy-driven project with Idaho Power, as set forth in the memorandum dated December 6, 2023, and conditioned upon:

- ***Idaho Power filing and receiving approval for its SWIP-related case from the IPUC by September 30, 2024;***
- ***The CPUC reaffirming the need for Idaho wind in its 2024-2025 TPP portfolio decision;***
- ***Great Basin Transmission, LLC, a subsidiary of LS Power, declaring its intent to become a Participating Transmission Owner by July 1, 2024, submission and approval of its application in accordance with the CAISO Tariff and Transmission Control Agreement; and***
- ***The Federal Energy Regulatory Commission's acceptance of Great Basin Transmission's Transmission Owner Tariff and a transmission revenue requirement rate structure.***
