**Re: California Independent System Operator Corporation
Compliance Filing – ERRATA
Docket No. ER04-632-001**

Dear Secretary Salas:

On March 7, 2005, the California Independent System Operator Corporation ("ISO") submitted a compliance filing in the captioned docket. It has come to the ISO's attention that the clean tariff sheet included in Attachment A to the compliance filing contained a couple of inadvertent errors: the sheet contained gray shading that should not have been on it, and the header for the sheet incorrectly listed the sheet's designation. The ISO now provides, in Attachment A to the present filing, the corrected tariff sheet. Please replace the sheet provided in the March 7, 2005 compliance filing with the sheet included in Attachment A to the present filing. The ISO regrets any inconvenience this may have caused.

The Honorable Magalie R. Salas
March 8, 2005

This filing has been served on all parties on the official service list for the captioned docket and has been posted on the ISO website. Two additional copies of this filing are enclosed to be date-stamped and returned to our messenger. If there are questions concerning this filing, please contact the undersigned.

Respectfully submitted,

Charles F. Robinson

ATTACHMENT A

- times the actual Gross Load of such UDCs and MSS Operators ("Utility-specific HVAC"); or
- (ii) for a Participating TO that is not a UDC or MSS Operator and that does not have Gross Load in its TO Tariff in accordance with Appendix F, Schedule 3, Section 9, then calculate the Participating TO's portion of the total Billed HVAC/TC in subsection (a) based on the ratio of the Participating TO's High Voltage Transmission Revenue Requirement to the sum of all Participating TOs' High Voltage Revenue Requirements.
 - (c) if the total Billed HVAC/TC in subsection (a) received by the ISO less the total dollar amounts calculated in Utility-specific HVAC in subsection (b)(i) and subsection (b)(ii) is different from zero, the ISO shall allocate the positive or negative difference among those Participating TOs that are subject to the calculations in subsection (b)(i) based on the ratio of each Participating TO's High Voltage Transmission Revenue Requirement to the sum of all of those Participating TOs' High Voltage Transmission Revenue Requirements that are *subject to the calculations in subsection (b)(i)*. This monthly distribution amount is the "HVAC Revenue Adjustment";
 - (d) the sum of the HVAC revenue share determined in subsection (b) and the HVAC Revenue Adjustment in subsection (c) will be the monthly disbursement to the Participating TO.
- 10.2** If the same entity is both a Participating TO and a UDC or MSS Operator, then the monthly High Voltage Access Charge and Transition Charge amount billed by the ISO will be the charges payable by the UDC or MSS Operator in accordance with Section 7.1.2 of the ISO Tariff less the disbursement determined in accordance with Section 10.1(d). If this difference is negative, that amount will be paid by the ISO to the Participating TO.
- 11** **Determination of Transmission Revenue Requirement Allocation Between High Voltage and Low Voltage Transmission Facilities.**
- 11.1** Each Participating TO shall allocate its Transmission Revenue Requirement between the High Voltage Transmission Revenue Requirement and Low Voltage Transmission Revenue Requirement based on the "Procedure for Division of Certain Costs Between the High and Low Voltage Transmission Access Charges" posted on the ISO Home Page.

CERTIFICATE OF SERVICE

I hereby certify that I have served the foregoing document upon all parties on the official service list compiled by the Secretary in the above-captioned proceeding, in accordance with the requirements of Rule 2010 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.2010).

Dated at Folsom, California this 8th day of March, 2005.

Sidney Mannheim Davies
