Docket No. ER05-____-000

NOTICE OF FILING

Take notice that on September 22, 2005, the California Independent System Operator Corporation ("CAISO") submitted to the Commission the Simplified and Reorganized Tariff ("S&R Tariff"). The S&R Tariff simplifies and reorganizes the current ISO Tariff by: (1) merging the Protocols into the ISO Tariff where similar issues are addressed; (2) deleting duplicative provisions; (3) undertaking additional reorganization to consolidate tariff language addressing similar issues; and (4) retaining certain separate, on file Protocols that cover specific issues not addressed elsewhere in the ISO Tariff. The S&R Tariff is an interim step toward the development of a well-organized Tariff implementing the CAISO's Market Redesign and Technology Upgrade ("MRTU") project targeted for filing with the Commission on November 30, 2005.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, D.C. There is an "eSubscription" link on the web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s).
