**Re: California Independent System Operator Corporation
Docket No. ER26-____-000**

Notice of Cancellation of EIM Implementation Agreement with Los Angeles Department of Water and Power

Dear Secretary Reese:

The California Independent System Operator Corporation (CAISO) submits for Commission acceptance this notice of cancellation of the Energy Imbalance Market Implementation Agreement between the CAISO and the Los Angeles Department of Water and Power (LADWP) (Implementation Agreement).¹ The CAISO is cancelling the Implementation Agreement in accordance with its terms, because the tariff revisions and service agreements needed to implement LADWP participation in the Western Energy Imbalance Market have gone into effect.

The CAISO requests that the Commission accept this notice of cancellation effective 61 days after the date of this filing, *i.e.*, April 29, 2026.

I. Background and Basis for Cancellation

In 2017, the Commission accepted for filing the CAISO's submittal of the Implementation Agreement and granted the CAISO's requested effective date of October 1, 2017.²

Section 1(c) of the Implementation Agreement states that the agreement shall terminate upon the earliest of any of several specified events that include "the date FERC permits all necessary revisions to ISO Tariff that are required by law or requested by the

¹ The CAISO submits this filing pursuant to Section 35.15 of the Commission's regulations, 18 C.F.R. § 35.15. The Implementation Agreement is designated as CAISO Rate Schedule No. 93.

² Letter Order in Docket No. ER17-2120-000 (2017).

ISO to be approved or accepted by FERC to take effect and the service agreements under such tariff for the commencement of [LA]DWP's participation in the EIM have taken effect, and the date [LA]DWP permits all necessary revisions to the [LA]DWP Tariff to take effect and the service agreements under such tariff for the commencement of DWP's participation in the EIM have taken effect." The events described in the quoted provision of the Implementation Agreement have occurred.³

For these reasons, the Implementation Agreement is no longer needed and has terminated. Therefore, the CAISO requests that the Commission accept this notice of cancellation effective 61 days after the date of this filing, *i.e.*, April 29, 2026.
