Docket No. ER26-\_\_\_\_-000**

**Notice of Cancellation of EIM Implementation Agreement with the

Dear Secretary Reese:

The California Independent System Operator Corporation (CAISO) submits for Commission acceptance this notice of cancellation of the Energy Imbalance Market Implementation Agreement between the CAISO and the Western Area Power Administration (WAPA) (Implementation Agreement).<sup>1</sup> The CAISO is cancelling the Implementation Agreement in accordance with its terms, because the tariff revisions and service agreements needed to implement WAPA participation in the Western Energy Imbalance Market have gone into effect.

The CAISO requests that the Commission accept this notice of cancellation effective 61 days after the date of this filing, *i.e.*, April 29, 2026.

**I. Background and Basis for Cancellation**

In 2021, the Commission accepted for filing the CAISO's submittal of the Implementation Agreement and granted the CAISO's requested effective date of November 28, 2021.<sup>2</sup>

Section 1(c) of the Implementation Agreement states that the agreement shall terminate upon the earliest of any of several specified events that include "the date all necessary revisions to the WAPA Tariff, WAPAs rate schedules, and the ISO tariff

necessary for the commencement of WAPA's participation in the EIM have taken effect (when the market becomes financially binding on transactions within WAPA's balancing authority area)." The events described in the quoted provision of the Implementation Agreement have occurred.<sup>3</sup>

For these reasons, the Implementation Agreement is no longer needed and has terminated. Therefore, the CAISO requests that the Commission accept this notice of cancellation effective 61 days after the date of this filing, *i.e.*, April 29, 2026.
