**Informational Filing of Effective Date of Flexible Ramping Product**  
**Docket No. ER22-2661-\_\_\_**

Dear Secretary Bose:

On August 15, 2022, the California Independent System Operator Corporation (CAISO) filed tariff revisions to refine its flexible ramping product by: (1) introducing nodal procurement to the uncertainty award element of the product; (2) revising the default master file setting for proxy demand resources; and (3) clarifying certain existing flexible ramping product-related tariff provisions. By order issued October 18, 2022, the Commission accepted this tariff amendment and directed the CAISO to submit an informational filing to inform the Commission of the actual effective date within five (5) business days of implementation.<sup>1</sup>

The CAISO implemented the enhancements pertaining to flexible ramping product on February 1, 2023. Accordingly, the CAISO is submitting this informational filing to specify an effective date of February 1, 2023 for the tariff revisions accepted by the Commission in this docket.<sup>2</sup>
