Reference: Energy Imbalance Market Implementation Agreement

On December 12, 2019, the California Independent System Operator Corporation (CAISO) filed an Energy Imbalance Market (EIM) Implementation Agreement (Implementation Agreement) with City of Tacoma, Department of Public Utilities, Light Division (Tacoma). The Implementation Agreement sets forth the terms under which CAISO will extend its real-time energy market systems to provide imbalance energy services to Tacoma pursuant to CAISO's EIM tariff provisions. Under the Implementation Agreement, Tacoma will compensate CAISO for its share of costs of related system changes, software licenses, and other configuration activities. The Implementation Agreement is accepted for filing, effective April 1, 2020, as requested.<sup>1</sup>

The filing was noticed on December 12, 2019, with comments, protests, or interventions due on or before January 2, 2020. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such acceptance is
