**Re: California Independent System Operator Corporation
Docket No. ER06-61-000**

Dear Secretary Salas:

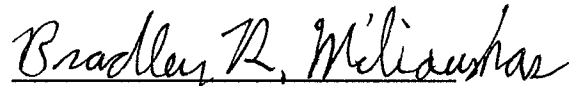

On January 17, 2006, the California Independent System Operator Corporation ("ISO")¹ submitted a compliance filing in the captioned docket ("January 17 Filing") to amend the Metered Subsystem ("MSS") Agreement between the ISO and the City of Vernon, California ("Vernon"). The ISO explained that the amended MSS Agreement contained in the January 17 Filing did not include Vernon's signature, because the Vernon City Council meeting at which the amended MSS Agreement was to be executed by Vernon was not scheduled to occur until after the date the ISO submitted the January 17 Filing. Transmittal Letter for January 17 Filing at footnote 2. Vernon executed the amended MSS Agreement, but did not intervene and provide its signature page as the ISO discussed in the January 17 Filing. Therefore, the ISO now provides, in Attachment A to the instant filing, the signature page for the amended MSS Agreement with Vernon's signature provided.

¹ Capitalized terms not otherwise defined herein have the meanings set forth in the Master Definitions Supplement, Appendix A to the ISO Tariff.

The Honorable Magalie R. Salas
