**Re: California Independent System Operator Corporation
Docket No. ER00-1365-000**

Dear Secretary Boergers:

The California Independent System Operator Corporation ("ISO") submits the following letter in response to a request from the Commission Staff that the ISO address the time-frame in which the Commission will act in the above-captioned docket.

On January 28, 2000, the ISO filed Amendment No. 26 to the ISO Tariff in the above-captioned docket. The Commission issued a Notice of Filing regarding Amendment No. 26 on February 4, 2000. The Commission Staff has recently requested that the ISO authorize the Commission to defer the final date for rendering a decision on Amendment No. 26 from March 28, 2000, to April 7, 2000. The ISO has no objection to the Commission acting on Amendment No. 26 at any time up until April 7.
