Attention: Bradley R. Miliauskas
Attorney for California Independent
System Operator Corporation

Reference: Revised Participating Generator Agreements

Dear Mr. Miliauskas:

On December 2, 2003, you submitted for filing, on behalf of the California Independent System Operator Corporation (CAISO), (1) a revised Participating Agreement (PGA) between the CAISO and California Department of Water Resources (CDWR) in Docket No. ER04-250-000 which incorporates revisions to Schedule 1 of the PGA, and (2) a revised PGA between the CAISO and Northern California Power Agency (NCPA) in Docket No. ER04-251-000 which incorporates revisions to Schedule 1 of the PGA. Specifically, Schedule 1 of both PGA's are revised to conform Schedule 1 to the ISO's new format for specification of the technical characteristics of a generating unit. The revised Schedule 1 of the PGA between CAISO and CDWR also includes revisions that add new generating units to the Schedule 1 list and delete other generating units from the list. Waiver of the Commission's notice requirements pursuant to section 35.11 of the Commission's rules and regulations (18 C.F.R. § 35.11) is granted and the revised PGA's are accepted for filing effective June 2, 2003 for CAISO/CDWR, and August 22, 2003, for CAISO/NCPA, as requested. The rate schedule designations included in your submittals are correct.

Notices of these filings were issued on December 8, 2003, with protests, comments, or motions to intervene due on or before December 23, 2003. No protests or comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any unopposed or untimely filed motion

to intervene is governed by the provisions of Rule 214.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or any rate, charge, classification or any rule, regulation or practice affecting such rate or service provided for in the filed documents; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against California Independent System Operator Corporation.

This action is taken pursuant to the authority delegated to the Director, Division of Tariffs and Market Development – West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Jamie Simler, Director
Division of Tariffs and Market
