Attention: Sean A. Atkins
Attorney for California Independent System Operator Corporation

Reference: Revised Tariff Sheets

Dear Mr. Atkins:

California Independent System Operator Corporation's (California ISO's) filing is hereby accepted to become effective January 14, 2000.

California ISO filed revised tariff sheets in compliance with the Commission's order in AES Redondo Beach, L.L.C., et al., 90 FERC ¶ 61,036 (2000). The revised tariff sheets implement changes to certain ancillary service buy-back provisions such that self-schedulers of ancillary services are treated equally to Scheduling Coordinators who sell ancillary services in California ISO markets.

The filing was noticed on February 17, 2000, with comments due on or before March 6, 2000. No protests were filed.

Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

Docket No. ER98-2843-010, et al. - 2 -

This action is taken pursuant to the authority delegated to the Director, Division of Tariffs and Rates - West, under 18 C.F.R. § 375.307. Consistent with the Commission's prior orders, California ISO is hereby directed to promptly post the Revised Tariff Sheets on the Western Energy Network.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification or any rule, regulation or practice affecting such rate or service contained in your documents; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against California ISO.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Michael A. Coleman, Director
Division of Tariffs and Rates - West
