ORDER RESCINDING TOLLING ORDER

(November 1, 2002)

Rehearing was timely requested of a Commission order issued on September 16, 2002 in this proceeding. See Mirant Delta LLC, et al., 100 FERC ¶ 61,271 (2002). On October 25, 2002, the Commission addressed the merits of this rehearing request in Mirant Delta LLC, et al., 101 FERC ¶ 61,078 (2002). However, on this same date, the Commission inadvertently issued a separate order that granted rehearing for the limited purpose of allowing additional time for consideration of the matters raised in the rehearing request (Tolling Order). Since the Commission issued an order on the merits concerning this rehearing request within the 30 days allowed by statute, the Tolling Order was unnecessary and is hereby rescinded.
